SERIOUS CHARGE AGAINST A YOUTH

Hanover Man Being Hunted
Down for Alleged Attempted
Criminal Assault.

Reports reached Richmond yesterday of an alleged attempted criminal assault upon Miss Irene Burton, the 17-year-old daughter of Mr. and Mrs. Marcus Burton, of Old Church, Hanover county, last Saturday, by Burton Douglas, 21 years old, and a nephew of the young lady.

A warrant is out charging the young man with the crime, and officers are searching for him. When last seen he was driving towards Richmond, though he told some of his friends that he intended going to New Kent county.

As a result of her treatment at the hands of her relative, Miss Burton is confined to her bed and is thought to be very ill. She is a daughter of Mr. Marcus Burton, grandfather of the young man charged with the crime, and is a half-sister to the mother of Douglas.

Deputy Constable B. H. Williams, of Hanover county, brought the warrant charging Burton Douglas with the attempted crime to Richmond, and placed it in the hands of Sergeant Matthews, of the First Police Station.

When seen by a Times-Dispatch reporter, Mr. Williams said that the grandfather of the young man and the father of the young lady had broken a stick over the head of Douglas shortly after the attempted commission of the crime. The young lady was choked almost into insensibility and could scarcely speak to her father after the terrible experience with her half-nephew.

Burton Douglas is the son of Mr. and Mrs. James R. Douglas and lives within a mile of the farm of his grandfather, Mr. Marcus Burton. He has had the reputation for being wild. His brother, Mr. Bassett Douglas, was for four years deputy sheriff under former Sheriff O. Alexander.

GIRLS AS PALLBEARERS.

Unusual Spectacle in Fulton—A
Child Severely Hurt.

Four little girls, all clad in white, acted as pallbearers yesterday for the little two-year-old daughter of Mr. and Mrs. Thomas Bew, of Fulton.

The funeral took place at 11 o'clock from the residence, No. 69 State Street.

While playing on the rear end of a ice wagon yesterday morning in Fulton, Thomas Fernandez, eight years old, sustained painful injuries. The little fellow, on his hands and knees, was playing on the ice when he fell into the open door of the ice wagon, trying to hold them in his teeth. A playmate came up and gave

him a shove, throwing the little fellow into the wagon. In falling one end of the hooks penetrated his mouth, inflicting a gash several inches long. He was taken into the People's drugstore and his injuries were dressed by Drs. Barksdale and Daugherty.

Miss Pearl Hawkins and Mr. John Jenkins, of Fulton, were quietly married yesterday afternoon by Rev. John W. Daugherty. The ceremony was performed at the residence of Mr. Daugherty, on Graham Street.

ROW IN REGATTA.

Virginia Boat Club Likely to Try
for Honors at West Point.

The Virginia Boat Club will probably enter an eight-oared shell in some race during this month. Dr. Kelly, the coach of the crew, stated on yesterday that the crew would probably be at West Point, with some crew either from Baltimore or Washington. No arrangements have yet been made, but it is certain that a regatta will be held some time during the month.

Dr. Kelly is very much pleased with the improvement of the men in training. He said he would not pick his eight until the new shell arrived, when he would match the men and let them row it out.

The shell will probably reach Richmond about July 12th.

Sermon to the Prisoners.

About seven hundred men filled into the chapel of the penitentiary Sunday morning to attend divine worship. Mr. C. H. Gootee spoke from the text in Matthew 11: 21: "And she shall bring forth a Son, and thou shalt call His name Jesus, for He shall save His people from their sins." Mr. Gootee said that as the star had appeared and the birth of the Christ was looked for, that no doubt many a cradle in the rich homes had been looked into, but He was born in a manger, among the cattle and the straw, in the reach of poor fallen humanity. And as Satan had entered the Garden and separated man's heart from God, Jesus had come down to the poor estate of man to undo what the devil had done and to win man back to God, to purify man's heart and to restore divine joys and hopes to his soul.

There was a deep interest among the prisoners throughout the service.

"Holiness Unto the Lord."

There will be a meeting held to-day at 3 P. M. at the West End Rescue Mission, No. 727 West Cary Street. The subject will be "Holiness Unto the Lord." There will be a meeting also at 8:15 P. M. All welcome.

THE PATRIOTIC WILL CELEBRATE

Glorious Fourth Will Be Most
Generally Observed in Rich-
mond.

WILL FLOCK FROM CITY

Tidewater Virginia Will Be
Flooded With Virginians To-
day—Local Amusements.

To-day, the Fourth of July, the 128th anniversary of the Declaration of American Independence, will be more generally observed in this State and section than usual. While there will be no military parades, artillery salute or set programme of commemoration, a large proportion of the citizens of Richmond will refrain from work and spend the day at home, in the parks, or at the neighboring resorts. Not a few will make more pretentious trips to distant parts of the State, and a few will begin even longer journeys.

All the public buildings—National, State and city—will be closed, and many of the larger manufacturing plants and office buildings will release their force to the luxury of a holiday. Thousands will have a half holiday, taking the afternoon off. Many of these will drive or take trolley or train to the country, and there spend a day of sylvan rest and quiet, where the clear air and the whirr of trolleys and the rumble of traffic are not heard.

The Chesapeake and Ohio and Norfolk and Western Railroads will operate special trains to the seashore cities and resorts, and all the railroads will sell round trip rates to all points along their lines at one and one-third one regular fare. These tickets are limited to return passage on Wednesday midnight on the Norfolk and Western and Chesapeake and Ohio, but are good until the 8th on the other lines.

The Chesapeake and Ohio will operate two extra fast trains to Newport News, Old Point, Buckroe and the coast resorts, leaving at 8:15 and 8:30 A. M. in addition to the regular train at 9 A. M. The Norfolk and Western will operate a special train leaving this city at 8:30 A. M.

The Southern Railway will operate a special to Beach Park, leaving this city at 9 A. M. and returning, leaving Beach Park at 7:30 P. M. This is in addition to the regular chartered train leaving at 5:30 and returning, leaving West Point at 10 P. M.

Local Amusements.

In this city two games of baseball will be played by the "Twin City League" teams at Broad Street Park. The first is at 2:45, between the Richmond and Manchester teams, and the second, at 4:45, between Heights and Brownie nines. One admission to both games.

In the evening Iardella's band will give its open air concert at Monroe Square, rendering a fine programme. The members of Pickett's Camp, Confederate Veterans, and their families, will go to Westhampton Park this morning by trolley, and will enjoy their annual picnic and reunion.

The employers of the postoffice, customs and revenue departments and of the Federal courts will close their offices and enjoy a holiday in most cases, and a half holiday in others. The State Library building and Capitol offices will be constructively closed, and all the occupants will take a day off. The same is true of the City Hall and the various employees of the city departments of every kind.

The employees of the general office force of the Chesapeake and Ohio Railroad and the various upcountry branches will be closed for the day, and the employees will have a rest. Many of them will spend the day out of town.

Postmaster Wray T. Knight announces that the office will be open for the transaction of all business as usual from 7:30 A. M. until noon, and from 12 noon to 5 P. M. The stations will observe the same hours. The Mayor has issued a proclamation suspending the operation of the ordinance against fireworks, but limiting the indulgence to the less dangerous variety. The ban is placed on dynamite crackers and the larger and more dangerous explosives.

Pretentious Celebration.

There are several more formal and pretentious celebrations of the day at other points in the State. At Ocean View there will be special fireworks for the entertainment of the great crowd that will throng the Virginia Coast.

At Chase City and Clifton Forge there will be special celebrations, with oratory, music and pyrotechnics. At Clifton Forge Secretary of the Treasury Leslie M. Shaw is scheduled to deliver an address, but the death of Secretary of State Hay may compel him to amend his plans and remain in Washington.

The trap shooters of the city will spend all day, from 9 A. M. until late in the afternoon, smashing fish targets to the monotonous drawl of "Pull," "Dend," or "Load." A special shoot for the championship of the city at fifty targets is one of the features of the day's programme.

Many fishing parties will be out to-day, some for the banks of the James, others for Chesapeake Bay and the seaside and lake catches.

The weather promised for to-day is fair and warm, but with thunder storm and showers in the afternoon.

Growing As Trade Center.

Richmond's importance as a trade center is estimated by the number and magnitude of her manufacturing and business enterprises, and to this is added the New River Coal Sales Company to her growing list of business institutions.

Richmond, representing millions of invested interests, has found it necessary to establish an office in this city in account of the large and growing business in the Virginia and Carolinas. The field of operations is national in scope, as it has offices in Western cities as well as in New York and Boston. The distribution of thousands of tons of coal through Richmond to Southern industrial plants, and to the West, is a tremendous prestige and aids in extending her trade in all departments of business.

Mr. A. J. McGuinn, the head of the company, New York and Boston, is one of the most influential operators in the New River field, having been engaged in mining coal for more than thirty years. Their collieries are numbered amongst the largest and best equipped in the New River field, and turn an annual output of some 600,000 tons.

Mr. L. S. Evans represents the company in Richmond.

New Engine Company.

The new engine house, No. 10, on West Broad Street, has been completed, but is not yet in running condition. About the 10th of this month the wagons will be moved there, and the engine will be commenced in less than a week from that date. The men will run with the truck engine, and the engine will be used for the force will consist of eight men, under the command of Captain John Rafto and Lieutenant David Garthright.

Chase City, Va., July 4. The engine is so constructed that it will be about the 16th of this month before everything gets started.

Condition of Monroe's Tomb.

Superintendent John R. Hooper, of Hollywood, thinks much of the adverse criticism respecting the state of President Monroe's mausoleum in Hollywood Cemetery, and to this is added the New River Coal Sales Company to her growing list of business institutions.

It has been some years since the iron frame work over the tomb was painted, and the mausoleum is now in a disreputable condition. In some places the paint is cracked. This mausoleum occupies a prominent situation in the cemetery grounds.

Dr. Cecil's Vacation.

Rev. Dr. Russell Cecil held communion services Sunday at the Second Presbyterian Church. There were five additional communicants.

Dr. Cecil will take his vacation during August, when his pulpit will be filled by Rev. M. D. Harding, D. D., of Charlotte, N. C., and Rev. J. S. McElroy, D. D., of Columbus, Ga.

The pulpit of the Third Presbyterian Church will be filled by Rev. McAlister, of the Union Theological Seminary, who will supply during Dr. Eggleston's absence abroad.

Market Will Close Early.

Little trade is anticipated on the produce market to-day, and everything will close up about 9 or 10 A. M. To-morrow trade will probably resume its old activity and business, as the dullness incident to a holiday begins to wear off.

Fine watermelons are coming in. People need not fear to eat them, as they are good and fresh as the far-famed Hanover melons.

Will Preach in Essex.

Rev. George McDaniel, pastor of the First Baptist Church, will be absent from the city this week, preaching in Essex and King and Queen counties.

He will return Saturday and preach next Sunday as usual. His family are at Ashle, where they will remain some weeks.

Take a Northern Trip.

Miss Edna Vail Branch, of Church Hill, accompanied by her grandmother, Mrs. R. J. Cornell, of Goodland Court House, Pa., sailed from Norfolk last evening for New York via the Old Dominion Line. They will visit friends in Newark, Chatham, Morristown, N. J., and several other points, and will return to the Hudson River to West Point, Pliskill, New Hamburg, Wappington Falls, Newburgh, and other points, and will visit their relatives and friends.

Monument to John Jasper.

To-day will take place the unveiling of the monument to John Jasper, the famous negro preacher.

The monument will be dedicated in Mt. Vernon Cemetery at 3 o'clock. The programme will consist of music and speeches.

Going to Buffalo.

On Monday, July 10th, a party of Elks, headed by Mr. T. R. A. Burke, will leave this city for the Grand Lodge session of the Elks at Buffalo. Elks from Petersburg and Manchester have been invited to join the party. All who wish to go would do well to see Secretary Burke at once.

Move Episcopal Rooms.

The Episcopal clerical rooms will be moved from their present location to the old old Saints Church. The removing will take place about October.

CANDIDATES TO COME TOGETHER

Rival Aspirants for Senator and
Governor Will Meet at King
George.

NEXT THURSDAY THE DAY

Montague and Martin, Swanson
and Willard Have a Chance
for Joint Debate.

Thursday will probably be the greatest day politically of the Democratic Primary campaign in this State, and King George Courthouse will be the storm centre. The two candidates for the United States Senate, and two or three candidates for the Governorship nomination will be present that day, and will speak from the same platform. If the rivals are particularly eager for a joint discussion with their competitors there and then will be the opportunity.

Mr. Swanson while not officially announced to speak at King George that day is put down for no speech, but will be in Accomac on the 3rd and 4th and will speak in Fredericksburg on the 7th. He whereabout on the 5th and 6th are not accounted for, but he will necessarily be in the vicinity of King George. An enormous crowd is assured.

Senator Thomas S. Martin who spoke yesterday at Martinsburg, is expected to arrive here to-day, but will leave in an hour or two for Charlotte Courthouse, where he will make a political speech on Monday. He will leave immediately thereafter for Culpeper to attend the horse show there on the 4th and 5th.

Governor Montague who spoke in Surry county on Friday night and at Waverly, in Sussex, yesterday, went to Hampton in the afternoon and spoke there last night. He will speak at Accomac Courthouse to-morrow, and at Chincoteague Island and in the same county on Tuesday, the 4th. Thence he will go to King George county, where both he and Senator Martin will speak on the 6th. Thence the Governor will leave Tidewater for the mountains, speaking at Front Royal on the 7th, and at Berryville on the 8th.

After the King George speech Senator Martin will go to the Eastern Shore, speaking in Northampton county on the 8th, 9th and 10th. He has no dates there for a week, but it is understood he will return to his headquarters, dispose of the correspondence accumulated during his absence, and start afresh at Chatham, July 17th, the county seat of the Governor's home county. He will speak that night at Danville.

Mr. Swanson, candidate for Governor, spoke at Chincoteague Island in Accomac, yesterday and will make addresses at other points in the same county Monday and Tuesday. From that time until Friday he has no announced appointments, but will probably speak in Tidewater counties on the 5th and 6th, and in Fredericksburg on the 7th.

Mr. Willard, another aspirant for the Governorship, will also speak at Accomac Courthouse on Monday, but will make a long jump from there, going to Cumberland county, where he will speak on the 4th, and at Culpeper the next day. He is thus at King George Courthouse, July 4th, the same day Governor Montague and Senator Martin speak there. Congressman Swanson is also expected to show up at the King George court, being in that vicinity, though no date has been announced for the campaign, with rival candidates for the two greatest offices speaking from the same platform the same day.

RAILWAY'S FINE SHOWING.

Chesapeake and Ohio Earnings
for Four Years a Steady Increase.

The Wall Street News prints an interesting statement making a comparison of the earnings of the Chesapeake and Ohio Railroad for the eleven months of the fiscal year just closed, with the corresponding figures for the same period of the four preceding years. This shows a steady and consistent growth. The least increase was made in 1903 over the figures for 1902, the first named year being the one in which the coal strike occurred. Here are the figures by years for the eleven months of each year, successively: 1902, net earnings, \$5,123,287; 1903, net earnings, \$5,128,756; 1904, net earnings, \$5,906,991; 1905, net earnings, \$5,760,308. The gross earnings for 1903 decreased \$144,000, compared with those for 1902, owing to a decrease of traffic caused by the coal strike, and this together with an increased expense, caused a diminution of net earnings.

The increase in gross earnings for the eleven months of 1905 over the corresponding period of 1904 amounted to \$553,312, an increase of about 12-1/2 per cent.

Gross earnings for May were 1,802,479.62, an increase of \$184,637.49, while net earnings were 1,070,308.00, an increase of \$100,318.31. The figures for the month of May, 1904, were 1,617,841.62, net earnings, \$512,287.00. The showing for the month and for the eleven months is considered highly gratifying.

COLONEL RESIGNS.

Commander of Newly Formed
Regiment Asks to Be Relieved.

Captain Rudolph Bumgardner, of the Staunton Rifles, recently elected colonel of the newly formed Seventy-second Regiment, has tendered his resignation of that position. Captain R. P. Layton, of Luray, captain of the Page Rifles, is mentioned as his successor.

Colonel A. M. Higgins, of Norfolk, colonel of the Seventy-first Regiment, called at the adjutant-general's office yesterday to consult that official with regard to the enlistment of the regiment. It was at first contemplated that the regiment would make a trip to the up-country, but it is now likely that the enlistment will be at Ocean View or some of the nearby resorts.
